### Bed Frames Ikea

Beds come in all different shapes and sizes. Even though they might look different, and different bed frames can have different dimensions, the standards for bed sizes for adults are the same. The mattress will normally be 200 cm long, but the width will vary. Beds for children, like cots and so on, will have other sizes, both length and width.

---

### Beds - Bed Frames - IKEA

Even though they might look different, and different bed frames can have different dimensions, the standards for bed sizes for adults are the same. The mattress will normally be 200 cm long, but the width will vary. Beds for kids, like cribs and so on, will have other sizes, both length and width. For adults the width will determine the bed size. Below you can see our standard bed sizes for ...

Ikea for Sale in London | Double Beds & Bed Frames | Gumtree

A bed frame only holds a mattress, but offers no damping or other form of comfort. A box spring is a mattress carrier that is filled with metal coils. The space between the coils provides extra ventilation. On top of the box spring you add a mattress and possibly a mattress topper.
