The Bible Exposition Commentary

The best Bible commentary will be  
written by more than one scholar. In  
my opinion, no one popular teacher  
can be an expert on the whole Bible.  
Walvoord and Zuck chose different  
scholars to write commentary on the  
Old Testament book which was their  
expertise. This two-volume set is the  
most concise and understandable  
commentary available.

## John Gills Exposition of the Bible Commentary

This study explores the lives of four people in the Old Testament who also wanted to make a difference: Amos, who dared to stand for God ' s truth against the highest officials in the nation; Obadiah, who explained why longstanding family feuds bring defeat and disgrace; Micah, who showed why the only hope for any nation is surrender to the Lord; and Zephaniah, who saw the coming Day of the Lord and told people how to get ready.

This work is considered his magnum opus, a commentary on the entire Bible. This was originally published in two parts, the 3 volume An Exposition of the New Testament (1746-8), and the 6 volume An Exposition of the Old Testament (1748-63). Gill was a life-long Hebrew scholar, and he also learned Greek by age 11.
