7 Steps To Build A Digital Strategy - Alessio Bresciani

Choose your digital marketing strategies: Pick the best strategies for your business. Focus on the techniques that offer the most value for your business and industry, versus trendy strategies. Set your digital marketing budget: Research digital marketing pricing to build a realistic budget for your business. For reference, most businesses spend \$2500 to \$12,000 per month on online marketing.

7 Digital Marketing Strategies & How to Launch Yours in 2020

Digital strategy, on the other hand, focuses on technology, not culture. Digital strategy is most relevant to changes in business models, and uses technology to create the capabilities a company needs to become a digital business. Setting down a strategy is a key component of the transformation process, and ensures that technology is being implemented in a way that supports the business objectives.
