Nursing Orientation Manual

nursing is a specialty within the nursing profession. y definition, “ emergency nursing is the care of individuals of all ages with perceived or actual physical or emotional alterations of health that are undiagnosed or require further interventions.

Emergency Department Core Competencies, Skills Checklist ...

If you have the opportunity to work in an emergency setting right out of school, look for a hospital or medical facility that has a formal orientation or internship program in place, geared toward non-emergency nurses. Ideally, the program should include: a stable preceptor arrangement and a mixture of classroom, skills labs and preaccepted clinical time ;
