Healthcare Mergers Acquisitions And Partnerships

Mergers, acquisitions, and partnerships are a dominant force in today's healthcare system. These new organizations, however, will not be functionally integrated until their data is integrated. The de facto solution to integrating data is to rip and replace the workflow information systems, such as enterprise resource planning systems (ERPs) and EHRs, with common vendor products.

Healthcare Mergers and Acquisitions: The Key to Success

Intermountain Health-Sanford Health merger. The most recent transformational healthcare merger and acquisition announced in 2020 involves Utah's largest hospital system Intermountain Healthcare and South Dakota-based Sanford Health. In October 2020, the two non-profit health systems signed a letter of intent to develop a strategic partnership.

January 08, 2019 - Increasing financial pressures are pushing providers and even non-provider entities to engage in healthcare merger and acquisition (M&A) activity. Value-based reimbursement, shrinking hospital margins, and record-high healthcare spending are pushing providers to consider new partnerships to achieve efficiency and cost control. And providers are contemplating healthcare mergers and acquisitions sooner rather than later to achieve their goals.
