National 5 ...

Inference is when you read between the lines and look for clues in a story. Find out more in this Bitesize Primary KS2 English guide.

What is inference? - BBC Bitesize

Inference can be defined as the process of

Get Free Making Inferences Reading Between The Lines

drawing of a conclusion based on the available evidence plus previous knowledge and experience. In teacher-speak, inference questions are the types of questions that involve reading between the lines. Students are required to make an educated guess, as the answer will not be stated explicitly. Students must use clues
