Does someone has the Inspection Report (or Installation Report) of the Makino V33 machine? Thanks for your help. Kind Regards. So you are not looking for a typical factory runoff inspection report but rather a typical in-situ inspection report (mainly ball bar and laser + a few other tests for machine geometry ?). What year / condition of V33 ? Quick Navigation CNC Machining Top. Site Areas ...

Makino V33 Machine, Inspection Report - Practical Machinist

We are looking at purchasing a used Makino V33 in good condition. I would like to hear opinions of people who have experience with this machine. We are injection mould manufacturers. Thanks . It's not a bad idea , I think the box /boxed ways on V33i are good to very good for about 15 to 20 years (at least). On some grinding machines for example - that use hydrostatic ways (if they are ...
