How To Outline A Memoir: A 3-Step Guide To Organization

Writing a memoir means searching for what one has forgotten. It is easy enough to remember the larger outline of a time that has passed, but it is regrettably impossible to recall the minutiae that capture the very essence of that former experience. Here's what you can do to call upon that forgotten inspiration.

An autobiography is your life story from birth to the present. A memoir is theme-oriented with anecdotes from your life that buttress a specific theme. Too many authors write a memoir because they believe their lives are so interesting that even strangers would enjoy a detailed account. Don't misunderstand, maybe you are interesting.
