Re: mercruiser 3.0 performance, pros and cons, what can I expect? Speed is relative. 45 mph on a skateboard is freakin scary. 45 downhill on skis makes me curl up in a fetal position and ride down the rest of the hill like that. 45 on a slalom then swinging way outside on a turn is pretty fun. 45 in the fast lane of the freeway will get you lots of fingers, honks, and yelling.
