Watercolor or watercolour, also aquarelle, is a painting method in which the paints are made of pigments suspended in a water-based solution. Watercolor refers to both the medium and the resulting artwork. Aquarelles painted with water-soluble colored ink instead of modern water colors are called "aquarellum atramento" by experts. However, this term has been more and more passing out of use. The traditional and most common support—material to which the paint is applied—for watercolor ...
