'Abolish' is not standard terminology for justice secretaries talking about their intentions for sentencing reform. The notion put forward in February this year, of taking a firmly established element of sentencing practice, questioning its value, and saying we should do something else instead, seems a bold one.

'Stopping short?' Sentencing reform and short prison ...

The Prison System 1 About Reform is established as the leading Westminster think tank for public service reform. We are dedicated to achieving better and smarter public services. Our mission is to set out ideas that will improve public services for all and deliver value for money.

The Prison System - Reform

of prison over-use, sentencing disparity and the excessive politicisation of sentencing practice and policy. However the report does not advocate the use of US-style sentencing grids, which would excessively constrain judicial discretion. Key points The prisons crisis • The prison population has grown in an uncontrolled way for almost two decades.

CREATING A SENTENCING COMMISSION FOR ... - Prison Reform Trust

The reforms in that package included lowering and eliminating some mandatory minimum sentences, raising the weight and monetary thresholds on drug and property offenses, and reducing sentencing enhancements for repeat offenders in a state that has the highest incarceration rate in the country.

Cuts to prison, probation and the legal aid budget all stem from his lackadaisical attitude towards the Treasury. He needs to realise that he is no longer the Chancellor of the Exchequer, but the Lord Chancellor. His justice policy is retrofitted around his prison population reduction target, which is in turn driven by the 23% budget cuts.
