The United States of America is a relatively young nation in comparison to European powerhouses like Britain and France. Yet, in the years since its founding in 1776, it has made great developments and become a leader in the world. American history can be divided into numerous eras.

Major Events and Eras in American History

The history of the United States started with the arrival of Native Americans around 15,000 BC. Numerous indigenous cultures formed, and many disappeared in the 1500s. The arrival of Christopher Columbus in 1492 started the European colonization of the Americas. Most colonies were formed after 1600, and the early records and writings of John Winthrop make the United States the first nation whose ...
